

Biogeography. Lecture 27

Alexey Shipunov

Minot State University

April 20, 2018

Outline

If all ice melted...

Rising seas

Biogeography of the World

Biogeography of Holarctic Eurasia

Outline

If all ice melted...

Rising seas

Biogeography of the World

Biogeography of Holarctic Eurasia

If all ice melted...

Rising seas

Rising seas: Antarctica

Rising seas: Asia

Rising seas: Australia

Rising seas: Europe

Rising seas: North America

Rising seas: South America

Rising seas: Africa

Biogeography of the World

Biogeography of Holarctic Eurasia

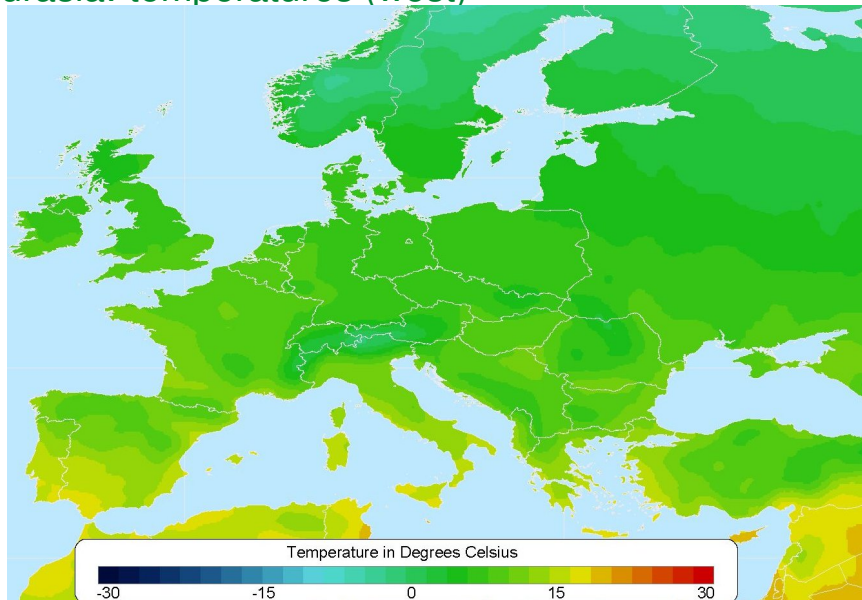

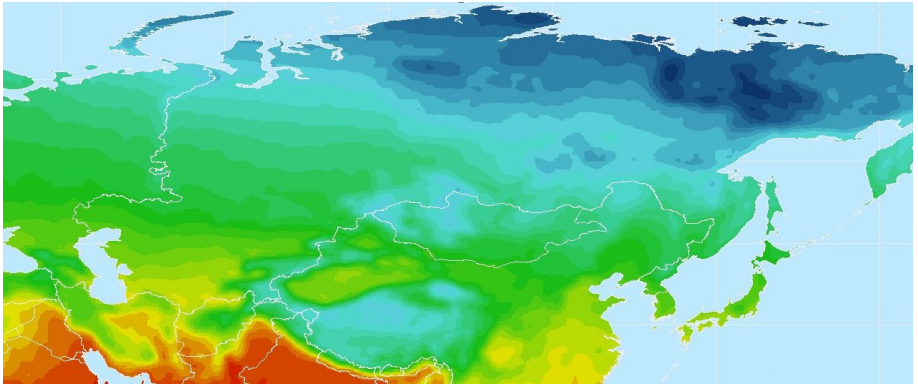

Note latitudinal mountain ranges

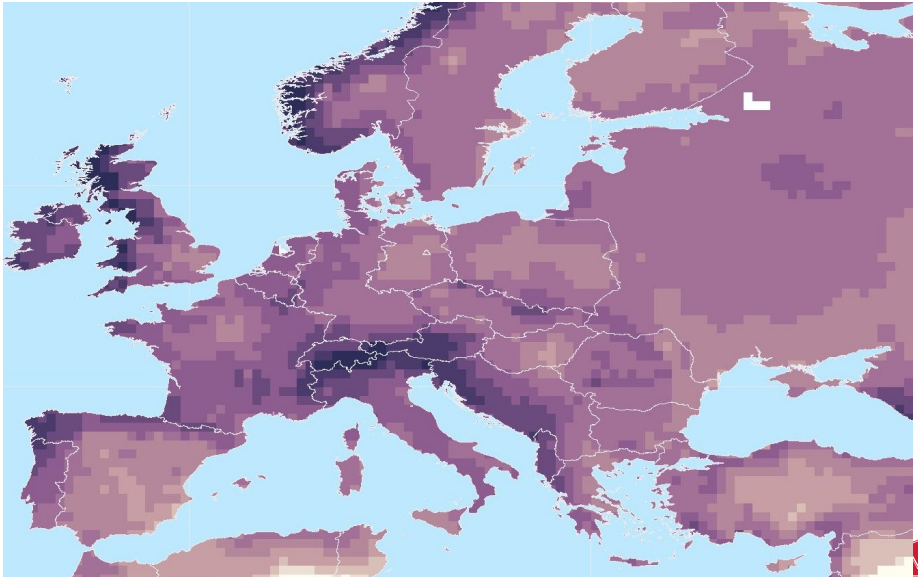

Eurasia: temperatures (west)

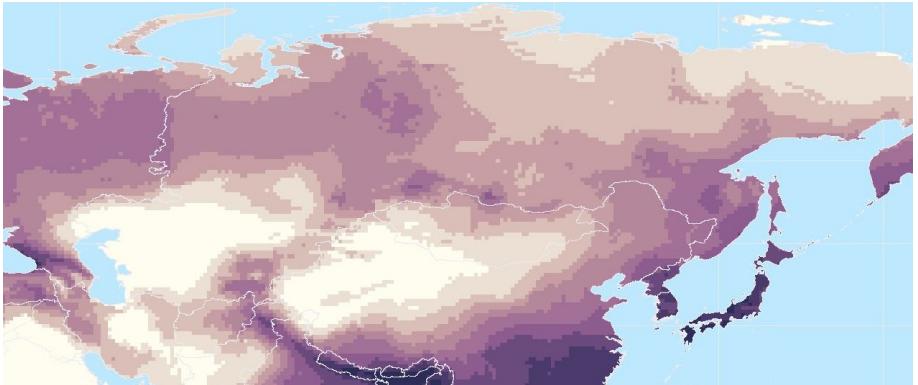

Eurasia: temperatures (east)

Eurasia: precipitation (west)

Eurasia: precipitation (east)
